material for the production of PVB film which is used to produce reinforced glass for both automotive industry and buildings. The Group's turnover decreased 4% to HK$144 million against the third quarter of 2017 ("   ") and net profit attributable to owners of the Company for Q3 2018 was HK$5.9 million. Gross profit margin were 14.0% in Q3 2017 and 14.1% in Q3 2018.

Distribution costs increased by 4% from HK$5.2 million in Q3 2017 to HK$5.4 million in Q3 2018, which was mainly due to freight charges increased in line with the increase in crude oil price. Administrative expenses decreased by 9% from HK$6.4 million in Q3 2017 to HK$5.8 million in Q3 2018, mainly because there was a significant drop in exchange loss of HK$0.5 million during the Q3 2018.

Current assets mainly comprised cash and bank balances of HK$1,713 million, trade and other receivables and prepayments of HK$73 million, bills receivables of HK$46 million and inventories of HK$25 million. At the Annual General Meeting of the Company held on April 29, 2011, the shareholders of the Company did not approve the renewal of the mandate ("   ") to enable the Group to enter into interested person transactions with Kingboard Holdings Limited ("   ") and its associates (together, the "   "). The Company has entered into a licensing agreement, as amended by the letters of extension and amendments dated August 30, 2013 and August 28, 2015, to license the properties, inventory and machinery that were previously used for the production of copper foil with effect from September 1, 2011 to August 31, 2017 to Harvest Resource Management Limited, an independent third party, in order to ensure that a steady stream of license fee is received by the Group. On August 30, 2017, the licensing agreement is renewed for the term of further two years to end of August 2019. The Group will, in compliance with the Listing Manual, make relevant disclosures as and when appropriate.

The economic growth rate in the People's Republic of China (the "PRC") is continued to maintain at a low level. Some sectors such as export weakened further as a result of the trade disputes between China and the United States. Moreover, the first tier and second tier cities in the PRC have imposed restriction orders on residential units, which has affected the real estate industry and hence the construction industry. Therefore, PVB business has also been affected. The Group will continue to improve the production efficiency, reducing the defect rate, lowering the production costs and shortening the lead time so that to deliver greater returns to the shareholders.
